## THE METHODIST CHURCH

The Record for the day at the Methodist Church, was at the usual high mark, 110 at Sunday School. A large attendance at both preaching services. The addition of the Orchestra to the evening services has made the singing a thing of real joy. You ought to have heard "Sweetest as the years go by", as they sang it accompanied with the orchestra. The Sunday School, ought to be a place for every body on Sunday. Suppose we start an "Every-body-go-to-Sunday-School" movement for the town.

The Subject for next Sunday morning will be: "The Sleeping Dog in the Sinner's Soul." Orchestra for the evening.

Welcome all.  
Methodist Pastor.

### More Street Improvement

Street Supervisor, Bobby Burns, states that he plans to begin work opening up the two North and South streets Taber and Slagel, which pass on the two sides of Mr. Savage's residence. Both streets are to be cleared and cindered from Hancock Ave to Bill Williams Avenue. In addition to this, Sheridan Avenue will be opened and cindered to the town limits on the east. The addition of good sidewalks would make the many desirable residence lots in this section of town, easily accessible, and would encourage the erection of houses there.

### "Bill" Dickinson in Town

County Sheriff, Dickinson, was in town, Tuesday, on official business. A glance at the records of the Sheriff's office under Mr. Dickinson's management shows that something has been doing there ever since he went into office. There is not a sheriff's office in the state that can show a better record for prompt performance of duty during the past year and a half.

Some twenty five arrest have been made by the sheriff's office on the charge of violating the prohibitory law, during the last few months, and it was no fault of Bill's if these men did not get their just dues.

Mr. A. Gold, F. M. Gold's father, left on No. 22, Wednesday, for his home in Kansas, after a visit of several months with his son and family in Williams.
